SEMI-WEEKLY—TUESDAYS AND FRIDAYS

Sept. 26 Is the Last Day to Register. Do It Now!

VOL. LII. UPLAND, CALIFORNIA, TUESDAY, SEPTEMBER 24, 1946. NO. 42

Property On East Ninth Bought For Work Shop

The long search for a place on which to build a cabinet shop came to a happy end for W. C. McCully yesterday with the purchase of a 100 by 320 lot at 1346 East Ninth street.

McCully had been operating his woodworking shop on a temporary basis on a portion of the lot he now owns and it was sold to him by Charles Eppler in order to keep McCully and his business in the city.

In a statement issued today McCully said that Eppler, although he had intended to use the property for his own use, agreed to sell it to McCully in order to "encourage light industry here."

"Charlie is not only a gentleman and a scholar but a humanitarian as well," McCully declared. "In contrast to the ideas of some people, he wants to encourage enterprises of my kind and was willing to sacrifice a little profit for himself in order to do it."

McCully said that Eppler could have held the property and sold it "for an inflationary price," but instead "he gave us a pretty good deal and made it possible for us to remain in Upland."

Plans are to expand present quarters of the McCully woodworking shop in the near future. The property is mostly zoned for heavy industry, with the front 100 feet being restricted to commercial. McCully said that he wouldn't have any use for this portion for the time being but hoped in the near future to build some sort of a display and sales room.

McCully has been appearing before the planning commission and city council for several months trying to get another site on Ninth street rezoned to light manufacturing. Protests by residents at the final hearing held by the city council moved McCully to withdraw his zoning request.

Thursday Last Registration Day

Next Thursday, September 26, is the last day on which voters may register for the November 5 election.

This reminder was issued today by the three local registrants who are qualified to register voters. Anyone not registering by Thursday will not be eligible to vote at the general election.

OPEN NIGHTS

The Upland chamber of commerce office, 130 East Ninth street, will be open Wednesday and Thursday nights from 7 to 9 o'clock for the convenience of voters who wish to register.

Uplanders may register with the following people:

Judge Fred H. Jacobs, 421 North Eighth avenue.

Mrs. Helen Bessant, chamber of commerce office, from 9 a.m. to 4 p.m.

Mrs. Harry Plum, Los Olivos office during office hours, and in the evenings at 484 North Second avenue.

All newcomers to California who haven't voted in the state before must register as well as those who have changed their residence either within the county or from some other county. Also those who will be 21 at the time of the election on November 5 should register.

Enrollment at Local Schools Is 1,079; 41 More Than 1945

Record compiled by Upland schools yesterday indicated that there are 41 more students attending local schools this year than there were at the same time a year ago.

Harold Cook, district superintendent, announced today that as of yesterday there were 1,079 students attending Upland schools. On the second Monday of the new school year in 1945, the figure read 1,038.

These figures include all Upland schools from kindergarten through the ninth grade.

$5,460 Pledged By Presbyterians In Church Drive

More than one third of the $16,000 goal for the Upland Presbyterian church's restoration and improvement fund was pledged at a meeting in the church social hall last night.

Participating in the meeting were the church officers, members of the restoration committee, zone leaders and representatives of the zones. The total amount subscribed was $5,460, leaving $10,540 to be raised by the remainder of the church membership.

Between 40 and 50 people were present at the meeting, which featured a panel discussion with questions being asked from the audience. A film showing the need for world-wide restoration was shown.

Refreshments were served at the beginning of the meeting by members of the women's association of the church.

J. H. Siegrist, chairman of the project, spoke briefly of the mechanics of the drive and explained that zone meetings would be held throughout the community within the next few weeks to enable all church members to acquaint themselves with the program and goals.

A sketch showing the appearance of the church after the remodeling was exhibited at the meeting.

Mr. Siegrist stated at the close of the meeting that "The enthusiasm and cooperative spirit of the meeting was most gratifying and should be an inspiration to all members and friends of the church in encouraging them to participate in this most worthy project."

Set Date For Legion Dance

The first American Legion fall dance will be held at the Alta Loma fire hall Saturday, October 5, Don Shilling, second vice-commander in charge of Legion entertainment, announced today.

Tickets for the affair will be ready for sale tomorrow morning. They may be obtained from members of the entertainment committee or at Pete's Service station and The Upland News.

George Serena and his Frollicking Foresome will provide the music for the Legion dance.

Members of the committee who are in charge of the dance on October 5 with Shilling are Ellsworth Mitchell, Ralph Childer and Otis Baker.

The Legion has also tentatively planned another dance on Armistice Day. It would follow the turkey shoot being planned by the Legionnaires on that day.

LOCAL BUTCHER GIVES HIS VERSION OF MEAT SHORTAGE

The Upland News Photo

If you're having trouble finding meat these days, so is your butcher. Here is Bill Goalby, who operates a meat market in town, giving expression to how he feels about the whole thing when customers ask him for meat. The black ribbon and the wording on the counter were prepared by Goalby and Lee Bigley. All employes of the combination grocery store and meat market are wearing black bands around their arms in mourning for the "death" of free enterprise.

Hospital Employes Get 44 Hour Week Longer Vacations As Policy Outlined

Employes of San Antonio community hospital learned last night they will work fewer hours each week and will have longer vacations annually.

Speaking to the 108 employes at a personnel meeting in the hospital, Dr. A. A. Aita, administrator, announced that effective Oct. 1 all employes will work 44 hours a week, instead of the present 48, and that a month's vacation will be given to long-time employes.

Changes in the work schedule will mean an additional outlay annually of $25,000, Dr. Aita reported. The personnel meeting was held in the solarium at the hospital.

The following vacation schedule will be in effect January 1; employes with one to five years of service, two weeks vacation; five to 10 years of service, three weeks vacation; 10 to 20 years of service, four weeks vacation; 20 to 25 years of service, one month vacation plus one-half month's salary; 25 years and up of service, month's vacation plus one month's salary.

Joe Agapay has the distinction of being the only employe of at least 20 years' service.

In addition to the regular vacation, all employes will be allowed to observe six holidays throughout the year.

Dr. Aita said the changes were made as a recognition of the valuable services of the employes, to increase efficiency of the organi-

DR. A. A. AITA

zation and to make an incentive for employes to remain at the instution. Advantages of working at the local hospital will be cited in attracting new employes, he said.

"I am sure the public will understand the importance of maintaining high efficiency and a fine spirit among the employes," Dr. Aita declared. He asked the public to understand that hospital service is 24 hours a day, that the finest equipment is maintained and that the staff knows no limitations in time of the patients' need.

The administrator, whose 16 years of service here has seen a tremendous expansion of the hospital, listed the new schedule of hospital rates, to cover the increase in pay roll.

Ward rates will be increased from $8 to $9 a day. Semi-private rooms will go up $10 to $10.50; and private rooms will be increased from $11 to $12.

Sixty per cent of the money received by the hospital goes to the employes.

"I hope as we move into the new era we can in part repay you by making it a little easier," Dr. Aita said to the employes.

Twelve additional employes will be needed at the hospital as soon as the new hourly schedule becomes effective Dr. Aita announced.

Refer "Yard" Request To Ontario Planners

The Ontario city council granted a permit to the Crowley Wrecking company, 1238 A street, to continue business on its old site but referred the request of the company to expand into adjoining property to the planning commission for further study.

Appearing for the Crowley Wrecking company was Attorney C. E. Crowley, father of the two partners, who charged that the present zoning ordinance forbidding expansion of the "junk yard" was not valid and could not be enforced.

The site on which the company was given permission to continue its business is located 120 feet back from A street.

State Armory

The council instructed City Attorney Archie Mitchell to look into the legality of giving a portion of the property at John Galvin park to the California state guard for use as a state armory.

Acting on the request of the guard for an armory in Ontario, the council also acted favorably on the use of quonset huts for a temporary use, pending the construction of an armory by the state.

It was brought out at the meeting last night that the planning commission would meet on October 4 at 7:30 p.m. to discuss the report of the Associated planners on zoning changes for the entire city of Ontario, including areas recently annexed to the city. A public hearing is scheduled to be held on October 18 on the changes.

The council granted the Ontario post of the American Legion permission to hold a carnival from October 1 to 6 on the corner of State and Bon View.

New Meters

The contract for the widening of B street from Laurel avenue to Palm avenue was let to Price Engineering company on their low bid of $1,984.

It was reported to the council that new parking meters to replace those in present use are scheduled to arrive on October 10.

Cable To Be Luncheon Host

Dewey Cable, manager of the Cable airport, will be host to the Airport Owners and Operators Association of San Bernardino county at a luncheon to be held on Tuesday, October 8.

The luncheon meeting will be held in the new restaurant recently built at the Cable airport and more than 20 managers and operators are expected to attend, according to Cable.

The rescue crew from March field and a CAA representative from Los Angeles will also attend the regular monthly meeting of the group.

Uplander To Attend Legion Conclave

Among those who will attend the American Legion national convention in San Francisco will be Earl March, 1870 West Arrow highway, who was selected as a delegate at the state convention held recently.

Marsh will represent Legion posts in San Bernardino county at the Legion conclave from September 28 to October 4.

Series on Football Prospects In CBL Begins In News Today

The first in a series of articles on football prospects for each team in the Citrus Belt League begins on the sports page of The Upland News today.

With everybody expecting bigger and better football this year not only at the junior college but the high school as well, these articles are designed to give a clearer picture of what Chaffey's chances are by presenting an evaluation of other teams in the CBL and what they seem to have in store.

The series will include individual stories on every team in the league, including an honest appraisal of just what the Tigers will have to face this year if they hope to win the CBL football title.

County Delays District Hearing

Final action on the proposed Cucamonga fire district was postponed another week as the county board of supervisors decided yesterday that more time was needed to investigate the objections of persons opposing the district.

The Cucamonga service club, which has been advocating the formation of the district, was represented at the hearing in San Bernardino by a group of 30 persons. The opposition to the fire district, led by John Klusman, presented a petition signed by 25 property owners protesting the formation of the proposed district.

The boundaries of the proposed distirct included the area from Fourth street to Baseline and from Grove to Haven. The supervisors felt that additional time was needed to study the boundaries, particularly the inclusion of the undeveloped land in the lower part of the district.

J. R. Thrasher, president of the service club, has called a special meeting of the club for Friday evening to see if there is any possibility of altering the boundaries of the proposed district to exclude the southern area.

Under the present proposal, the community could have the fire district such as Alta Loma, for a tax of 16½ cents per hundred dollars of assessed valuation. By eliminating a part of the proposed district, the tax rate, observers pointed out, would be higher.

The supervisors had previously promised the service club that a definite yes or no answer would be given at this formal hearing, but after hearing the opposition, decided to postpone final action until next Monday afternoon.

News' Contest Closes Promptly 12 O'Clock Noon This Saturday

BY S. J. LINER

They're on the stretch!

Contestants in The Upland News big automobile prize subscription contest have reached the turn, manuevered themselves into position for the final go, and from now until the finish will be battling for supremacy under whip and spur.

By polling a huge batch of votes — by far the largest number cast at any one time since the race began—Sammie Rowe is back in the lead, having exchanged positions with Mrs. Henry Younge as handily as did she usurp the coveted first place two weeks ago and held ever since, closely followed by Mrs. Verna Mehl—who also broke into the four million vote class for this count—while Jack Monroe, Miss Rilla Stickney and Mrs. Doris Goalby all occupy bonus paying spots among the "big six" with substantial vote totals to their credit.

Last Lap

Riding high on the threshold of victory, and with the thoughts of "now or never" hovering in their minds, participants in this thrilling contest have entered the last lap of the race—each day crammed full of opportunity and offering, with the prospects of being declared the winner of first honors and of realizing what may be their greatest ambition at this time.

Twelve o'clock Saturday noon looms big on the horizon, and every tick of the clock brings it nearer. This present "period" is of but five and a half days duration. It will see Father Time on his way in such rapid flight that there will be scarcely time to catch your breath before everything is over, before the winners are named and the proud possessors of major prizes and bonus awards begin taking enjoyment in the fruit of their efforts.

Realizing that the remaining time will pass quickly because of the excitement attached to the finish, this newspaper wishes to put the question **whether hard work now will not be worth more than all the regrets in the world after the race has been lost?**

Make Effort

If so, then there is just one simple proceeding for those who wish with all their hearts to win, and that is to make every one of the short remaining days a "banner day"; seek the support of all your acquaintances; urge your close friends and relatives to "go the limit" in your behalf; avail yourself of every advantage and draw on every resource so that when the final hour arrives EVERYTHING will have been done and NOTHING LEFT UNDONE to realize your highest hopes and win the prize of your desire — choice of those two beautiful new 1946 model Chevrolet Fleetmaster sport sedan or Ford Super De Luxe sedan, both fully equipped and worth upward of $1,500.00.

Agree On Date For Memorial Bond Election

The Veterans' Memorial committee agreed on a date last night for the special bond election which will be held to finance the building of a Veterans' Memorial and Recreation center at the city park.

The date selected by the committee will be recommended to the Upland city council which has the power to officially call the election.

The committee also will recommend to the council that the proposition for the memorial be placed on the ballot as only one item rather than in separate groups.

Those present at the meeting last night were Edgar Pierce, chairman; Mrs. James Martinez, Joe Seitz, L. R. Bradley, Howard Mason, Birch Harrison, Claude M. Gosnell, Mrs. P. W. Rohrbaugh and City Attorney Henry Busch.

Start Four New Homes In City

Construction of new homes in Upland seemed to be continuing its September spurt as building permits were issued for four more new dwellings.

A $9,000 home is being built by Irvin Brunk at 372 North Laurel avenue. The proposed house will be six rooms, single family and be 1275 square feet. W. E. Nugent is the engineer.

Another six room house is the one being built for L. E. Kaggie by the L. & K. Construction company. It is located at 544 North Fifth avenue and will be 1440 feet for a cost of $8,600.

E. W. Bowman, 271 East Vernon, Ontario, is also building a six room house at a cost of $8,000. It is located at 255 South Third avenue and will be 1150 square feet.

Two small two room apartments is being constructed by Pearl H. Mathson at 1173 East Foothill boulevard. The building will be 616 square feet and will be valued at $3,600.

SERVICE CLUB LEADERS TALK OVER PROBLEMS

The Upland News Photo

At a dinner meeting of the Cucamonga, Alta Loma and Etiwanda service clubs held at the Alta Loma fire hall recently, members discussed mutual problems. Shown here enjoying a lighter moment of the meeting are (left to right) Herbert C. Hall, secretary, Alta Loma community club; S. R. Kemp, president, Etiwanda service club; Ernie Barbour, president, Alta Loma community club, and J. R. Thrasher, president, Cucamonga service club..

Food Fund Goes Up to $65 Total

Mrs. Ralph Sheets, 283 South Third avenue, failed to qualify for the dividend day award last night. She was given $1 as a consolation award, leaving $49 as a starter for the fund to be offered next Monday.

It's going up—The Upland News food fund. Sum of $65 will be offered some local resident Thursday evening. If that person is a customer of one or more of the food stores advertising in today's Upland News he or she will win the $65.

Food purchases totaling at least $1 must be made at one of the advertising food stores on either Wednesday or Thursday.

Mrs. Owen M. Sherrick, 757 North Third avenue, failed to win the $55 offered last Thursday. Her address is recorded on page 3, line 48, in The News complete residential directory.

Food stores eligible to issue sales slips are Walker's market, Snowden's market, Clint's produce, Olson's market, Central market, Safeway, Central Meat market, Lee's market and Arrow market.

Pilot Escapes With Slight Injuries As Plane Crashes In Orange Grove

A crash landing Sunday morning by a plane travelling from Las Vegas to Montebello between two lemon trees in a grove owned by Mrs. Leon Durham, 1124 North Euclid avenue, resulted in only minor injuries for the pilot.

It is reported that C. G. Spence, Los Angeles, had just come over the mountains when he discovered that his motor had iced up from the cold. Spence, who had been flying between 8,000 and 9,000 feet, made his crash landing in the grove, receiving only two cuts on his upper lip.

The right wing, landing gear and the left stabilizer were damaged on the plane for an estimated damage of $800. Three lemon trees, valued at $100, were also damaged as a result of the crash.

Spence had flown to Las Vegas and was headed back to his home field, Vail field, Montebello, when the accident occurred. The damaged plane is now at the Cable airport where it is being repaired. Spence was flown home in a Cable plane following the accident.

DETAILS of the FINAL COUNT

In order to maintain the strictest secrecy as to the number of votes and subscriptions turned in by each individual contestant during the final week of The Upland News' automobile prize subscription contest, the race will be brought to a close with a sealed ballot box—thereby preventing any possibility of favoritism and insuring fairness to the minutest degree.

The sealed box now reposes in the vaults of The First National Bank, Upland, where contestants themselves will place their reserve votes and final collections in envelopes provided for the purpose instead of turning in their subscriptions to the contest department, as heretofore.

IMPORTANT NOTICE: All subscriptions deposited in sealed ballot box must be accompanied by full amount to cover in the form of cash. However, personal checks not to exceed $15 acceptable, providing no two checks are signed by the same party. This ruling is made in fairness to all contestants and will be adhered to strictly. * * * * *

The contest will officialy end at 12 o'clock noon, Saturday, September 28th—the close of banking hours — at which time the judges will take charge of the ballot box and bring it to the office of The Upland News, where, in the presence of contestants, the seals will be broken and contents of box counted and checked.

To arrive at each contestant's grand total votes and determining winners of major prizes will be simply a matter of adding reserve votes and those due on subscriptions contained in ballot box to last published vote figures. It will probably require less than an hour to canvass the findings in box and determine grand vote totals. The judges will announce winners then and there to contestants who are present and formal presentation of prizes will be made from the stage of The Upland Theater at 8 o'clock Saturday night. Final results will be published in next Tuesdays issue of The Upland News.

AN INVITATION TO CONTEST JUDGES

Members of the Advisory Board are requested to be present at The First National Bank, Upland, on or shortly before the closing hour—12 o'clock noon, Saturday, September 28th—for a few simple instructions before taking charge of the ballot box, counting its contents and naming winners of major prizes and bonus awards.

THE PERSONNEL OF THE ADVISORY BOARD IS AS FOLLOWS:

Owen Atwood, Merchant, Upland
O. P. Brady, Postmaster, Upland
Leland S. Davidson, Atty., Ontario
Judge Wm. B. Hutton, Cucamonga
R. Frank Lemon, Vice-Pres. First National Bank, Upland
J. Emery Sargent, Sec'y Chamber of Commerce, Upland

All of these gentlement are well known to to everyone in this area and the final results, as given by them, will be beyond dispute.

BUSINESS AND PROFESSIONAL WOMEN'S COUNTY COUNCIL MEETS IN ONTARIO

A number of members of the Upland Business and Professional Women's club met with representatives of other such groups in the county at the second quarterly meeting of the San Bernardino county council at the Casa Blanca hotel, Ontario, last evening.

Miss Lucile Majors, president, presided over the 46 women present, who came from clubs in Upland, San Bernardino, Colton, Redlands, Chino, Fontana and Ontario.

Mrs. Harry Plum, Upland, district auditor, was introduced to the group along with other district officers: Mrs. Dewey D. Luebbers, Ontario, district parliamentarian; Mrs. Kathryn Chetsworth, Colton, district news service, and Miss Ruth Seuerstein, San Bernardino, district membership chairman.

Mrs. George L. Winter, Upland, spoke on "Club Etiquette," giving many fine suggestions for the leaders of various clubs to aid them in the matter of courtesies and smooth operation of club meetings.

Mrs. Winter is a veteran club woman with many years of experience in all phases of club activities.

Mrs. Herbert Walters, Ontario, gave a report on material received from the San Bernardino county planning commission, as to the progress being made in the county concerning the building code. The council had made inquiry into the matter at their previous meeting.

Preliminary plans were made regarding the Southern District meeting to be held in San Bernardino in January when the San Bernardino county council will be hostess to the district.

Miss Majors announced that the next meeting of the San Bernardino county clubs will be held in San Bernardino on November 16.

Others attending from Upland were Mrs. Evelyn Loch, Upland group president, Miss Ethel Jean Wilson, Miss Lorena Timkens, secretary-treasurer of the county council, Miss Ada Cooper, Mrs. Henry Dybsand, Mrs. Velda Wiley, Mrs. E. Tweed Stone and Mrs. John Grace, who went as a guest of Mrs. Winter.

Temperance Union Members Present Convention Reports

Reports by six members of the Woman's Christian Temperance Union formed the program for their meeting Friday at the Upland Methodist church building.

The group met for a contributed dish dinner at noon. The afternoon program began with devotionals led by Rev. C. R. Heisey, pastor of the Brethren in Christ church.

Round-table reports on the county convention held in Fontana on September 3-4 were presented by Miss Lillian Williams, Mrs. Lewis Jenison, Mrs. James Merchant, Mrs. W. F. Keown, Mrs. Stanley Read and Mrs. Ralph Marr.

* * *

Mrs. J. W. Lunder has recently arrived from Bemidji, Minnesota, for an indefinite stay with Mrs. J. W. McConkay and Mrs. Anna Bryant, 679 North Second avenue.

While in the east recently after he attended the first national convention of the youth of the Episcopal church, Robert Larkin, 344 Sixth avenue, and his companion, Ray Alvarez, Monterey Park, visited Chicago, Washington, D. C., and New York. In New Haven, Connecticut, they were entertained by friends Mr. Larkin had met in the service. On the return trip, they made a tour of New Orleans.

Mr. and Mrs. Milton Huxtable are back from an enjoyable motor trip up the Redwood highway. They were gone for two weeks, visiting at scenic attractions along the coast.

SISTER KENNY'S LOVE STORY. COUNTLESS THOUSANDS KNOW SHE HAS DEVOTED YEARS TO SERVING MANKIND. THAT IS HER LIFE. BUT SHE HAD ANOTHER LIFE KNOWN TO FEW. WARREN HALL TELLS ABOUT THAT OTHER, ROMANTIC SIDE OF THIS REMARKABLE WOMAN IN THE AMERICAN WEEKLY, THE MAGAZINE DISTRIBUTED WITH NEXT SUNDAY'S LOS ANGELES EXAMINER. (adv. 42-1)

Guest at the home of Mr. and Mrs. W. A. Getty, 577 North Second avenue, is her brother, R. E. Stillman. He is visiting here from Council Grove, Kan.

Mrs. Henry Younge and daughter Fannie Lou, 770 Highland court, and Mrs. Jerry Cline, 306 North First avenue, went to Los Angeles Saturday evening to attend a layette shower given in honor of their sister-in-law, Mrs. Joe Cline.

HEIGHTS HOME SCENE OF RECEPTION FOR GOLDEN WEDDING ANNIVERSARY

Mrs. Howard Rake, who witnessed the wedding of Mr. and Mrs. John Paul Lawrence 50 years ago, was a surprise guest at their golden wedding anniversary reception held on Saturday.

Mrs. Rake, a sister of Mr. Lawrence's, arrived here with her husband from Plankington, South Dakota. The reception she attended was held at the Lawrence home, San Antonio Heights.

The couple were married in Mitchell, South Dakota, in the home of friends. They lived at Mitchell, engaging in farming, until about 10 years ago at which time they moved to Upland.

They have lived on their ranch on Vista drive since then.

The Lawrence's two children, Mrs. Guy Krick, Ontario, and Jesse Lawrence, Kalispell, Montana, were both present for the ceremony.

Jesse Lawrence, his wife and three children, Paul, Shirley and Donald, arrived at the Lawrence home for a one-week stay and remained until after the reception.

A granddaughter and her husband, Mr. and Mrs. Phillip Dickinsen, also attended.

Other relatives of the couple present were Mrs. Lawrence's brother, George McLeod, and his family who came from Los Angeles.

Mr. and Mrs. Lawrence, together with other members of the family, received about 75 guests in a home decorated with yellow roses and candles. A wedding cake ornamented with gold and punch were served by Miss Shirley Lawrence and Miss Phyllis Peterson, Kalispell.

Mrs. Lawrence received an orchid corsage and Mr. Lawrence a boutonniere from their daughter and son-in-law, Mr. Krick, and Mrs. Jesse Lawrence.

The Lady's Aid society of the Bethany Union church, of which Mrs. Lawrence is president, presented the couple with a mirror and the San Antonio community Heights league of which both are members, sent a bouquet of gold gladioli.

Mr., Mrs. Younge Entertain Friends On 18th Anniversary

Last Thursday evening found Mr. and Mrs. Henry Younge, 770 Highland court, celebrating their 18th wedding anniversary.

The evening began in the Younge home and the host and hostess later entertained their 10 guests with dinner at the Martinez cafe. Dancing followed the dinner.

Guests were Mr. and Mrs. Darwin Brest, Mr. and Mrs. Dwight Johnson, Mr. and Mrs. Ben Covey, Pomona, Harold Bakken, Miss Rosann Cunningham and Mr. and Mrs. Ashley Taunton.

ABOUT PEOPLE

Guests at the Herman Trautwein home, 664 North Third avenue, are their niece and her husband, Mr. and Mrs. Fred Robinson. The couple are visiting relatives on their honeymoon trip and will return to Grants Pass, Oregon, within a few days.

Guests of Mr. and Mrs. L. A. Fox, 720 North First avenue, Mr. and Mrs. D. A. Fox and daughter Viola will leave by train Tuesday for Marion, Indiana, after spending several days at the Fox home. A second daughter, Miss Norma Fox, has also been visiting here in Upland, but left by plane for Muncie, Indiana, where she will attend Ball state college.

Mr. and Mrs. Clovis Gunter and daughter Susann have returned to Twin Falls, Idaho, after a few days visit in Upland with Mrs. Gunter's parents. She is the former Stella Brown, daughter of the M. S. Browns, West Foothill boulevard, and lived in Upland until moving to Twin Falls in February this year.

Hubert L. Manker of Rio de Janiero, Brazil, who has been visiting his mother, Mrs. F. H. Manker, 603 North Second avenue, his daughter and other relatives for the past three months, left Friday night for Chicago and New York on business. From New York he will take a plane on Friday, arriving in Rio on Saturday.

Estella Stacy entertained at the Fourth street park, Ontario, Sunday with a picnic dinner in honor of her son, Kenneth Lee Stacy, electrician's mate, third class, who is here on leave for a few days. Guests at the picnic were Mr. and Mrs. Kenneth Stacy, Mr. and Mrs. Clifford Stacy and family of Los Angeles and M. Ellidge and family of Ontario.

William A. Brooks, son of the W. K. Brooks, 253 Lomita drive, Alta Loma, has recently been released from the Cedars of Lebanon hospital in Los Angeles. He was in the hospital for three months, receiving care for a head injury.

Sheppard Can't Escape Responsibility for Prado Dam Road Bungling—

Congressman Harry R. Sheppard frankly admitted in public yesterday he has no business poking around in U. S. army engineer projects. As a legislator, he says, he has certain limitations and therefore he can do very little, if anything about what the U. S. agency does or does not do.

It is made to appear, therefore, he has no responsibility for the bungling of the construction of the Euclid avenue extension south of Ontario to the Prado dam.

He cannot shun responsibility that easily. He is credited with playing an important role in the successful execution of the federal engineers' part in the building of the gigantic flood control project in Lytle creek, adjacent to San Bernardino and Colton. If he can deal with the agency on one project, he should be very close to it on another—Prado dam and the rebuilding of the artery.

He faced a group of people vitally interested in the local project and firmly declared that as a legislator he has limitations. He might have pleaded: "Please don't blame me only a few weeks before election."

Not so long ago, someone suggested naming the Lytle creek project "Sheppard Way"—to honor our legislator for what he had done on the army engineer project there. Locally, however, we will still call the road to the Santa Ana river "Sheppard's Alley," in recognition of what wasn't done.

Governmental Danger Seen—

Congressman John Phillips of Banning, who spoke in Ontario Friday, sees a great danger in an attempt to change our form of government during the next session of Congress. He cited one instance of official government statistics as being untrue—part of a planned effort to induce the public to want a change.

He pleaded for the public to send back to Washington Americans—irrespective of whether they were Democrats or Republicans.

Nation Is Hurt by Wallace-Byrnes-Truman Affair—

The fiasco of the Wallace affair reflects sadly upon the dignity and intellectual honesty of our government in foreign affairs at a time when it is in desperate need of both.

The president let Brynes down by letting Wallace give his appease-Russia speech. Then he let himself down by lamely saying he would not let Wallace talk any more. Then, someone apparently told him Wallace had to go—and he went.

What a spectacle of American statesmanship in the eyes of a cynical world.

me in a sweat
Screwball definitions of words
I can't get
Those chains of quaint English
that I haven't met
Have caused me the deepest,
profoundest regret.
Now what would you put down
for daddie
Etagerie makes one just wince
Amida and sotes and gaduie
Such words, are they used in
your set?
For kyott and groll you can
search your own soul
Arar and pano and bruel become droll
With tarot and imbe and ree
as your goal
Your pore thru Old Webster
and find he's all wet.
So, dash to the reference library where

Around Town

BY THE TOWNSMAN

Joe Seitz, who feels just as much at home behind the control of a plane as most people do behind the wheel of a car, flew the mayor of Chino back from the League of California Cities convention in San Diego last week. He says he is going to see "that landlubber mayor of ours" to see why he didn't take to the air, too.

With meat being as scarce as it it, nobody has to worry much about their figures anymore. If they can get enough to eat to survive these happy post-war days, then everybody will have that All-American figure.

There's more than one way to buya house. Harold Bakken, of the city inspector's office, went out on an inspection tour several months ago of new homes under construction. While on his rounds, he found one he like so well that he bought the house which was being built for sale.

It seems as if several city officials went to inspect a local church which is under construction in the Olivedale section Saturday. Arrving there, they found several church members, one of the with a banjo.

One word led to another and before long the city officials joined the minister in singing several hymns to a banjo accompaniment. Whether they did their inspecting before or after the singing is not known at this time.

It doesn't take long to get places by plane. Sunday four people took off from the Cable airport, spent the day at Atomic, right on the Mexican border, and returned early in the evening. Mr. and Mrs. Vivian Green were in one plane and Diana Tisdaile and Rachel Kuntz in the second.

Also on Sunday Mr. and Mrs. Frank Billington went to Palm Springs in the private plane of Andy Anderson, who only recently returned from Hawaii.

SET YOUR SIGHTS

It takes planning to achieve a goal

Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both.

Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to $500 per ordinary school year, plus $65 a month living allowance—$90 a month if you have dependents.

If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

1. Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may reenlist at any age, and former service men depending on length of service.
3. A reenlistment bonus of $50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
4. A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Officers.
5. Mustering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
6. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
7. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

"No, we won't scram! We feel it's worth waiting till we can get a silent Servel Gas Refrigerator"

Thousands of families want the one really different refrigerator—Servel. For there's *no noise, no worry,* with the Gas Refrigerator. A tiny gas flame takes the place of moving, wearing parts in its freezing system.

New Servels are coming off the line every day. But the demand is so great that some folks may have to wait a bit. If you can't get yours right away, remember Servel is worth waiting for. It stays silent, lasts longer.

BY DON BENSON

Now that the bell has rung and all of our children are trooping back to the halls of learning, the Upland Cub Scouts will begin its activity—if—den mothers can be found to take charge of these bundles of energies.

At the latest report, 11 den mothers are needed and believe it or not, only three have offered their services.

While countless columns and articles has been scribbled about the need for proper adult supervision in handling the increasing juvenile delinquency problem, Upland, to date has only three—3—women to "sign up"! Shame on the women of our town! Yes, that's right; s h a m e, s h a m e, shame!

We know that it might be a "large size" sacrifice, b u t it would only take one to one and half hours each week to give these swell youngsters a pat on the back and a helping hand.

At present the Cubs of Upland are faced with extermination because of the lack of den mothers. And these Upland Cubs have made a wonderful record. Police Chief Mueller has devoted his spare time to this worthy cause and h e l p e d immeasurably in this worthwhile program.

When I was a kid it was popular to "knock" the law, but Chief Mueller, by making friends and leading the Cubs, has made friends of the kids and future citizens, by his being their "Akela"; leader of the Cubs.

It's true you ladies may be busy, tired, have jobs etc., but honestly you'll never regret being a den mother! Sure the little guys will probably cause you to use a large portion of aspirins, but remember one thing: think of the good you will be doing. Isn't it b e t t e r to have these younsters wearing a neat and nice Cub uniform, t h a n later, through improper handling and youthful mis-information, wear perhaps a striped suit?

Maybe that sounds a little drastic, but it will come pretty close to the truth. In the Cubs, under these den mothers, and cub master Dick Allen, they have good companionship, learn one of the first principles of being a useful citizen, learn to respect other peoples rights, learn to be good sports, win or lose.

The late Knute Rockne once said: "Athletics teaches a boy responsibility as a representative of his school, respsonsibility to his teammates, and responsibility in controlling his passions, fear, hatred, jealously, and rashness. Athletics bring out the best in everyone."

So how about it, Upland Women? Are you going to set back and let the Upland Cubs fall into the "use-to-be" class or will you give up a very short one and one-half hours, once a week, to a bunch of kids who will be men tomorrow, and better men because of your help now?

See Dick Allen, or Mrs. Eva Sefton if you want to help those f u t u r e All-Americans. Phone 312-340 or 313-470 for further information if you want to help these swell kids.

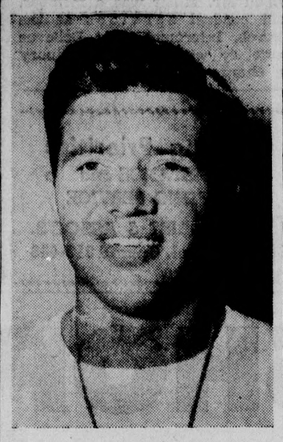

Spectators In More Danger Than Players

Football fans suffer even more than the players, says Thomas N. Boate, special service director of the National Conservation Bureau.

According to statistics compiled by the accident prevention division of the Association of Casualty and Surety Executives there are more deaths and injuries to spectators in traffic accidents going to and from the games, and from other causes, than to the brawny young athletes out on the gridiron.

Inter-American c o u n c i l will meet Friday at the home of Mrs. James Martinez, 574 Sixth avenue, for the organization of the coming year's activities. Nomination of officers is scheduled and the appointment of committees will follow.

Panther Coach

What the prospects are for the Chaffey Panthers this year in football will be given by Coach Ray Rosso when he speaks to the Upland Rotary club tomorrow noon at the Upland Woman's club.

Ray Russo To Speak In Upland

Upland Rotarians will get an "inside look" at the Chaffey Panthers when Ray Rosso, Panther grid coach, speaks Wednesday to the Upland Rotary club.

Coach Rosso plans to present a general picture of the prospects this season for the Chaffey eleven. He will tell Rotarians what some of the problems are this year in turning out a first class football team and how well these problems are b e i n g licked on the Chaffey campus.

The appearance of the Panther coach will be the second in a series of sport talks being aranged by Upland Rotarians. Other noted sport figures in this area will be invited to speak from time to time.

Coach Truck Lindsey opened the series several weeks ago when he spoke on the development of football since the middle ages.

Tigers Meet East Bakersfield Here; Panthers Play In Rose Bowl Friday

Both Chaffey football teams will see action for the first time this Friday night when the Panthers travel to Pasadena to meet Pasadena junior college in the Rose Bowl while the Tigers play host to East Bakersfield.

The Tigers this week have been concentrating their workouts on the development of an aerial attacks and Coach Truck Lindsey expects to continue work on this department until game time Friday.

Coach Ray Rosso, who has been working the Panthers hard ever since the first call for practice was issued, has been emphasizing the Pasadena game for several weeks. Fundamentals were over for the Panthers early last week.

The Chaffey-East Bakersfield game at the Chaffey stadium will start at 8 p.m. with the Panthers scheduled to get underway against their opponents in the Rose Bowl at the same time.

On the following week, October 4, the Tigers meet Fullerton in a non-conference game here, with October 11 date still open, due to the confusion with South Pasadena. Coach Lindsey has been working on another game and should have a definite team lined up within the next few days.

S. Pasadena Has 'Memory Relapse' On Scheduled Game With Chaffey

The Chaffey Tigers and Coach Truck Lindsey evidently aren't going to have their chance for revenge against South Pasadena.

Much to the charin and amazement of Chaffey officials South Pasadena has apparently never intended to play the Tigers this year, even though a contract between the two schools for a game on October 11 had been signed last year.

Coach Lindsey found out about the whole thing at the coaches' conference in Los Angeles last Thursday night. When he mentioned to a Pasadena official that he was looking forward to meeting his team again, he was politely informed that there was no game scheduled between Chaffey and South Pasadena. As a matter of fact, S o u t h Pasadena had scheduled another game way last April.

"We have a copy of the contract scheduling the game in our files here and it is a big surprise to all of us that South Pasadena didn't know anything about it," Coach Lindsey declared.

The contract was s i g n e d by both Chaffey and South Pasadena, Truck Lindsey said, since the understanding was that it would be a home to home game. South Pasadena played at Chaffey last year and the understanding was that the game this year would be at South Pasadena.

Both Coach Lindsey and the Scripps college students, these classes being held at the Claremont range.

Tigers have good reason to want to play South Pasadena again. The Tigers were soundly trounced last year and are anxious to make up for their defeat, while Lindsey as football coach at El Monte lost to South Pasadena by one point, 21-20.

In the meantime, Coach Lindsey is trying to line up another game in place of the scheduled one against South Pasadena. But everyone at Chaffey no doubt will keep wondering just what happened to South Pasadena.

Nearly 30 Sign Up for Golf at Chaffey College

Nearly 30 Chaffey college students have signed up for golf instruction with more expected within the next few days, according to H a r v e y Shirk, Chaffey athletic director.

Classes will be held at the Upland fairways Wednesdays and Thursdays afternoons and possibly also on Fridays, if more students sign up, Director Shirk said.

Fred Eaton, golf pro and owner and manager of the Claremont and Upland fairways, will instruct Chaffey students this year. Eaton will also instruct Pomona and

Return of 18-Year-Olds Expected To Bolster Teams In Citrus Belt League

(This is the first in a series of articles which will attempt to give a general evalution of each team in the Citrus Belt league and what sport fans can expect in high school football this year.)

BY STEVE KALAGIAN

Although not affected as much by the war as colleges and junior colleges, the return of 18-year-olds to the high school gridiron will undoubtedly be heartily welcomed by all high school football coaches in the Citrus Belt League this year.

Whether this factor will materially change the picture is difficult to say, but the fact remains that football this year even at the high schools is going to show some definite changes and most of them for the better.

The fact that high school seniors are being allowed to complete their school years before being drafted is going to bolster high school teams that in the past have been confronted with the loss of valuable men in the middle of the season. Coaches now can make their plans for an entire season instead of working under the uncertainity and confusion that characterized all of the sports world during the war years.

Because this is still the first year after the war, any attempt to evaluate and compare teams in the Citrus Belt League necessarily must be done with caution and by keeping other factors in mind than returning lettermen and experienced veterans on the squad. There could conceivably be some war veterans who are returning to high schools and who might be even better than some of the boys who were standouts on squads last year.

While practically every coach confidently expects better football this year than any time since the war, none of them are putting themseives out on the limb and painting any rosy pictures about the chances for their own teams. Instead, they point to other teams in the conference as the teams to watch.

In this series of all the teams in the CBL, every effort will be made to evaluate the high school elevens in the light of post-war conditions as well as fundamental football factors that still play the major role in how each team will fare in the race when it begins on October 18.

Because the Colton Yellowjackets will be the first CBL opponent of the Chaffey Tigers this year, the story on what Colton may have in store this year will be printed in The Upland News on Friday. Individual articles on each team in the league, including Chaffey, will follow.

Upland Youth On Colgate Squad

Wayne Steffler, of Upland, star athlete at East Liverpool high school, Ohio, in 1942 before 30 months service in the army, is trying out for one of the end slots on the Colgate football team this year. Steffler, a f r e s h m a n, is among the 83 candidates working out daily with the Colgate university football squad in preparation for an eight-game season.

Under the direction of the noted Andy Kerr and a five-man staff, the Red Raiders are holding workouts both morning and afternoon until the start of classes Sept. 23.

Ontario Swamps Claremont, 16-6

The Ontario Merchants unlcosed their batting guns against the Claremont Juveniles and Maury Encinas' f a s t ball pitching to coast to an easy 16 to 6 win, Sunday afternoon at John Galvin park.

The Merchants slugged out six straight hits in the fourth, to give Encinas an early exit and shower, as the local ball-hawks swamped Claremont with 10 fat runs.

Johnny Richardson, Ewatonick and Branfros each worked three stanzas for the Merchants, with Richardson getting credit for the win.

Maury Encinas slapped out a home run in the third to lose the ball over the fence.

Jess Solters carried the biggest guns for the Merchants, getting three for five trips to the plate.

Mgr. Kenny Smith said that next Sunday's opponent was yet to be chosen and would be announced as soon as possible.

Opening Game Set for Oct. 3

With their first game of the season scheduled for October 3, Coaches Edwin Dean and Clyde Frishholz are sending their charges through the paces this week at the Upland junior high school.

The Uplanders clash with Fremont high school of Pomona at the local field for their opening game. Two games with the Chaffey freshmen on October 9 and 16 have also been scheduled and return match with Fremont at Pomona.

Twenty-three boys are on the Upland junior squad. The group includes Roland Sanchez, Fred Christenson, Richard Eimers, Jack Thomas, Bill Casler Bob Graham, Jack Roper, J o h n Smith, Bill Hamilton, Louis Ammannitz, Gene Hill, Ray Rodriguez Boz Thomason, Gerardo Meza, Richard Naisbitt, Willie Richardson, Byran Kough, Don Ray, Jack Edwards, Alan Marrow, W a y n e Hunter, Ricardo Portillo and Billie Duran.

Final Ball Game Scheduled Friday

The final softball game between the old timers of Alta Loma and the regular team will be played Friday evening at the Alta Loma field.

This is the fourth game of the series and the regulars have taken the first three. The games are being played as a means of bolstering the sagging finances of the regular team.

Youth for Christ Hold Farewell Rally for Director Joe Bivens

The Youth for Christ rally this Saturday night will mark the farewell appearance of Rev. Joseph Bivens, of Ontario, who is leaving to enter evangelistic work in the middle-west. He has been with local Youth for Christ for 16 months and was instrumental in starting the work here.

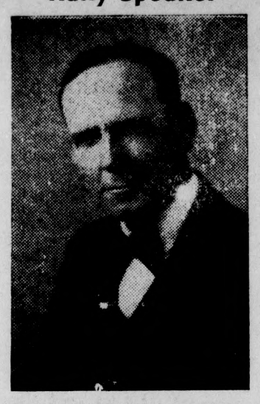

The rally Saturday will be held in the Merton E. Hill auditorium at Chaffey college beginning at 7:15 p.m. and will be the first fall session. Principal speaker will be Dr. Louis T. Talbot, pastor of the Church of the Open Door and president of the Bible Institute of Los Angeles.

The Brethren in Christ church of Upland will compete with the First Baptist church of Chino in the audience quiz. The grand prize for the winner will be a lighted globe mounted on a 30 inch standard. The Rev. C. R. Heisey, pastor of the Brethren church, will give the invocation while Rev. G. S. Barons, Baptist minister, will read the scripture. Orville Bert, president of the Brethren in Christ church, will lead the American flag salute.

For the period of Singspiration, the Saturday Night Jubilee will have as pianist and accompanist, Jut Williams, Monrovia, who formerly was president of the local district young people's work for the Church of the Nazarene.

As another feature the San Bernardino county Christian Endeavor Choir will be making their second appearance at the local Jubilee this year. The choir is composed of nearly 50 young people from all over the southwestern section of the county.

Rally Speaker

Dr. Louis Talbot, president of the Bible Institute, will be the principal speaker at the Youth for Christ rally which will be held at the Chaffey college auditorium Saturday night.

ARRESTED

William G. Masten, 37, 492 North First avenue, was arrested this morning by Upland police on a petty theft charge. He was booked by police and his bail was fixed at $200 by Judge Fred Jacobs.

Religious School Begins Classes

The Upland Released-Time school of religious education, a project of the Ministerial Union for the past two years, will resume classes during the early part of next week.

Mrs. Leslie Unruh, recently elected teacher, will also have charge of the students while travelling between the school and the classroom provided in the nearby First Mennonite church. The Released-Time school provides the same type of insurance to cover children during the "released-time" as that which protects them through the school day.

Last Friday, a release form was sent home with each student of the Upland Elementary school. This form must be signed by one of the parents or guardian in order to authorize the public schools to release the student to the school of religious education. The students who return properly signed forms will attend one class per week in moral and religious instruction.

Services Wednesday For George Miller

At 2 p.m. Wednesday funeral services will be conducted for George T. Miller, 1262 East Ninth street, who passed away Monday morning at the Thomas Rest Home, Ontario.

Mr. Miller had been ill for two years, having suffered a stroke which left him partially paralyzed. His age at the time of death was 74.

He had lived in Upland since 1918, moving here from Oxnard, and was formerly employed by the county in road maintenance work.

He leaves three daughters, Mrs. A. C. Wilson, Red Hill drive, Roy Palmer, 1294 East Ninth street; and Mrs. Walter Piety, Ontario; two sisters, Mrs. William Bennett, Garden Grove, and Mrs. Katie Carter, Chilhowee, Mossouri; six grandchildren and 10 great-grandchildren.

Rev. W. H. Burton, pastor of the Upland Naarene church of which Mr. Miller was a member, will conduct services at the church. Interment is at Bellevue cemetery with Stone's mortuary in charge of arrangements.

Five Palm Trees Burn As Result Of Heights Fire

A grass fire along Twenty-fifth street west of Euclid avenue became a spectacular event Saturday afternoon when it spread to five palm trees about 50 feet tall each.
Fire trucks and crews from San Antonio Heights and Lower San Antonio canyon stations battled the blaze for more than an hour before getting it under control. A line pole carrying both telephone and electric power also caught fire.
The palm trees were completely destroyed by the fire but the exent of the loss has not been determined as yet.

Chaffey Christian Fellowship Elect Officers; Uplander Vice-President

The Chaffey Christian Men's Fellowship, revised version of the United Men's Brotherhood, has named Roy A. Bates president and L. J. Horsch, of the First Mennonite church, Upland, vice-president.

Other officers elected included M. M. Johns, First Christian church, Ontario, and Ferron Troxel, of the Ontario Y.M.C.A.

Approval was placed upon the articles of organization which have been in circulation for the past two months, stating the purpose of the organization as: "to promote Christian fellowship among the laymen of the Chaffey area; to provide a means of interchurch cooperation; to uphold principles of Christian life and virture; to oppose evils which threaten to demoralize the home, the community, and the church; and to uphold faith in Jesus Christ."

Three fellowship meetings were planned throughout the coming fall and winter. The first one to be held during the third week in November, another in the third week of February and the spring meeting in the third week in May. Mel Dinger, was named chairman of the plannin committee for the November meeting, Eldon F. Bert, of the Brethren in Christ church, Upland, was named chairman of the February meeting with F. E. Taylor of the First Free Methodist church named to handle the May meeting.

Others present at the meeting in addition to those named were: H. B. Hamilton, Miles H. Gregory, Fred Hallett, G. M. Mahan, Charles H. Day, Allen Harrison, Dr. James Latimer, E. A. Louderback.

C. Dean Miller C. of C. Leader

C. Dean Miller was appointed chairman of the membership committee of the Upland chamber of commerce at noon today and under his direction the current drive for members and funds will be brought to a close.

Others on committee are Owen Davis and Oris Heinauer. An intensive campaign, starting immediately, is planned. Additional funds are needed to enable the camber to begin its enlarged program.

President Ellery F. Wright appointed some of the year's committees with special emphasis now being placed on the membership group.

Police Put Out Car Fire Here

A car belonging to John Mason, 635 North Euclid avenue, suddenly burst into flames at 8:30 o'clock this morning and was extinguished by the Upland police car which happened to be passing by at the time.

Detective Sergeant Henry Younge, who put out the car fire with the fire extinguisher in the police car, said that a faulty gas line was probably responsible for the fire.

The car caught fire on Arrow highway between San Antonio and Mountain avenues.

Jack Atwood Returns From Japan; To Be Discharged Soon

Jack Atwood is home after two years in the armed forces, coming direct from Japan, where he had been in service as a master sergeant. He arrived Saturday at the home of his parents, Mr. and Mrs. Owen E. Atwood, 607 North Euclid avenue. He is here on leave prior to receiving his discharge from Camp Beal.

Sergeant Atwood will return to the camp tomorrow to go through the final routine in returning to civilian life. His plans for the future are uncertain.

Report Made On Prado Dam Road

It may be a year after World War II is officially ended before actual work can be started on the realignment of the South Euclid avenue extension over the Santa Ana river, but there is some hope the work may be done.

This optimistic note in the long-delayed project was expressed by Congressman Harry R. Sheppard at the meeting of the Ontario-Upland Real Estate board at noon yesterday.

In the contract between San Bernardino county and the United States government, there is a clause which stipulates the proposed highway work will be done within a year after official termination of war, according to a revelation by Congressman Sheppard.

Introducing Mr. Sheppard was Assemblyman R. Fred Price, whose personal interest and support from the realtors resulted in Mr. Sheppard's visit to the "unfinished road." The meeting was held in the Casa Blanca hotel, Ontario, following a tour over the road to the Santa Ana river.

Twenty years ago, Mr. Price said the road to the river was one of the local major highway projects. Up until the time of the Prado dam construction, the highway served "fairly well." Before work was started on the dam, the U.S. war department engineers made contracts with the county for rebuilding of the road, the assemblyman said. In the meantime, a federal court judge has ruled that the federal government is not required to complete the highway relocation phase of the dam construction project.

The contracts with the federal government and the court ruling were discussed by Mr. Price, by E. Q. Sullivan, state highway engineer, Howard Way, county engineer, and by Mr. Sheppard.

Mr. Sullivan alleged that manipulations in deeds occurred during negotiations with the federal engineers. He reported unsatisfactory dealings with the war department in regard to getting any action on realignment of the road.

Mr. Sheppard, whose attention was called to the situation in January, he said, referred to the contract made between the county and the war department. He looked upon this as a valid agreement and on it he based the optimistic note that the South Euclid work would be done by the war department. He quoted from a telegram he received from a high ranking official in the engineering department.

We are not afraid of Communism or of the Communists but we have no idea what they might try to do.

Car, Truck Lock Wheels In One Of Three Accidents Over Week-end

Three traffic accidents in Upland Saturday resulted in damages to cars but no injuries to drivers or passengers were reported.

A car and a truck locked wheels in the accident at Foothill boulevard and Euclid avenue, resulting in total damages of $75. Police reports indicated that Pasquale DeMatto, 25, Adams street, Ontario, was going west on Foothill and Harry Austin Hixson, 46, 910 West Ninth street, when the freak crash occurred.

Pasquale's right front wheel locked with the left front wheel of the truck driven by Hixson. Pasquale was cited by police for failing to make a boulevard stop.

Two smudge pots were turned over and several others damaged when an unidentified car jumped the curb on the south side of Foothill boulevard, between Euclid and San Antonio avenues, Saturday night. Damages to the smudge pots were estimated at $20.

Both drivers received citations in the accident at Campus avenue and Eleventh street at 2:30 p.m. Saturday. Wayne Dennis, 26, 446 Parkside, who was cited for not having the address on his driver's license changed, was going west on Eleventh, according to police, and after making the stop sign started across Campus. Observing another car driven by Earl Houghton, 17, 850 Alpine street, coming south on Campus Dennis stopped. Houghton slid about 63 feet broadside as he attempted to stop, taking Dennis' bumper off. Houghton was cited for speeding by police.

Services Held for Joseph A. Gengras

Services were held at 8:30 o'clock this morning for Joseph A. Gengras, 1073 East Ninth street who passed away Saturday in a San Bernardino hospital as the result of cerebral hemorrhage. Age at time of death was 67.

Native of St. Cesaire, W. Farnham, Canada, Mr. Gengras had lived in California for 40 years. He was engaged in citrus budding work.

He leaves his wife, Anna, one sister, Mrs. Herbert C. Trombley, Springfield, Massachusetts, and two brothers, Allie Gengras, and Louis Gengras, both in Massachusetts.

Services were conducted at St. George's Catholic church by Rev. Father Hyacinth Rosatti, with interment at Bellevue cemetery. Stone's mortuary was in charge of services.

The objective of human endeavor is to ascertain the truth; there is really no other worthwhile occupation.
